“When I got to the Mission, I WAS ALL IN AND NEVER TURNED BACK.”

Jamie grew up believing in God – and during all the deep struggles and dark years, he learned to really trust the Lord and walk closer to Him.

At a young age, Jamie lost his father and twin brother, which filled him with a pain he didn't know how to handle. “I took that burden with me and it tore me up, deep down inside,” he said.

As a kid, spending time with bad influences led him to start using drugs. At 21 years old, he learned he was experiencing kidney failure but didn't want to be on dialysis. “I was frustrated and tired... going through a lot.”

For years, Jamie didn't take his treatment seriously. But when he had his two kids, his mindset changed. He started taking his medications and going to dialysis regularly... and after 13 years, he received a kidney transplant.

Jamie was thankful to the Lord for his transplant – but he was still living in addiction, and it wasn't long before his drug use escalated.

When his mom called, saying, “I'm begging you to get help,” Jamie realized he needed to change his life.

The hospital directed him to the Mission, where he stayed as an overnight guest. When our staff asked if he wanted to join our recovery program, after prayer, Jamie decided to join.

“**I'm thankful to the Mission for believing in me when I couldn't believe in myself.**”

Through meetings with his counselor and classes like Relapse Prevention and Fatherhood/Manhood, Jamie learned God had a better purpose for his life.

Now, thanks to your prayers and support, Jamie graduated from our program and serves as a Mission intern. “I serve and help others because that's what I was put here to do. When they feel their life is in a dark place, I'm here to shine some light on them.”

Looking forward, Jamie hopes to give his kids the best life possible, and he cannot thank God enough for all the ways he's been blessed.

Jamie's heart is overflowing with gratitude this Thanksgiving because YOUR loving support gave him the confidence and help to rebuild his life. “I'm Jamie again,” he said with a smile. **“I'm starting to get my joy back... It's a beautiful feeling.”**

Celebrating Thanksgiving Every Day of the Year

A Message from DAVE SCOTT

Here's a wonderful Bible verse for this season of Thanksgiving: *"This is the day that the LORD has made; let us rejoice and be glad in it."* (Psalm 118:24) During Thanksgiving, we gather to thank the Lord for blessings of family, food and health.

But what if we kept that same, abundant spirit of the holiday in giving thanks every day of the year?

Each day at the Mission, I see people who are thankful for the gift of new life that YOU helped make possible! Yet so many others are hurting...

Your help makes it possible to welcome them to the Mission with open arms and God's goodness. We're currently working on major renovations to add two new bathrooms, update our Welcome Room and complete other upgrades to improve our building's HVAC and electrical service. Though this ongoing process will take a lot of time and work, it will be wonderful to have a more comfortable, loving environment where we can meet our residents' individual needs and

surround them in love.

There are days when challenges make it feel like our vision will never be reality... but your commitment to those in our care encourages us to press on and remain faithful to God's calling!

You can also bless the men who seek shelter at Market Street – Sussex County by giving during the \$10,000 Matching Challenge. A generous friend made a gift to celebrate the first anniversary, so right now your gift will double in impact to serve this ministry!

My prayer this Thanksgiving is that you will take comfort in the love of friends and family, and the joy of knowing hearts are changed thanks to you. God bless you!

FROM THE DESK OF JACOB GAETA

Wow... I cannot believe Market Street – Sussex County has been up and running for over a year! Time indeed flies when enjoying the labors of ministry.

As I reflect on this past year, I rejoice in the Market Street Mission's effective impact in Sussex County. By God's grace, we established ourselves as the primary men's shelter in the county. That distinction allowed us to utilize our benevolent resources to serve a multitude of men in many ways.

Perhaps the most enjoyable part of service was witnessing three of our Sussex County shelter guests make the life-changing decision to enroll in our long-term recovery program in Morristown, NJ. That was one of our visions before opening – and to see this vision become a reality is quite a blessing. Praise God for His mighty hand over His incredible work!

We also want to thank a generous friend, who made a \$10,000 Matching Challenge gift in honor of our anniversary. What an unexpected blessing! They are challenging friends like you to give as well, so right now your gift will double in impact to help even more men in Sussex County.

None of our work is possible without the fervent prayer and generous support of so many gracious friends like you. Thank you for being an integral part of the developing work of the Market Street Mission – Sussex County. God bless!

Jacob M. Gaeta
Sussex County Site Manager

On June 15, we celebrated our first anniversary – one whole year of serving the Sussex County community. What a blessing it has been!

Newton town officials invited us to bring hope and healing in the face of homelessness and substance abuse, and God has opened many doors for us to serve our neighbors in need. We know our Sussex County community is facing real difficulties: in 2021, more than 400 people experienced homelessness, and 31 people died of a drug overdose. These are two of the biggest needs we are trying to meet.

Through our 14-bed hospitality room, we offer safe overnight shelter for men. Along with a warm place to sleep, our guests receive a hot meal, a shower and the opportunity for AA/NA recovery meetings and pastoral counseling. Furthermore, our staff members are always looking to form relationships with our guests and direct those in need to our long-term addiction recovery program at our Mission location in Morristown.

Through our programs and services, we hope to not only meet the physical needs of those who walk through our doors, but also to surround our guests with God's love. To offer them the opportunity to pursue the deeper healing they need through His grace and mercy.

Thank you for coming alongside us to make this ministry possible!

Driven TO Recovery

When JR got pulled over for driving under the influence, he knew he needed to do something to address his addiction.

Two of his childhood friends, who are now police officers, recommended that he come to the Market Street Mission – Sussex County. He first came to stay with us as an overnight guest. Then when staff members Jacob and Rich told him about our long-term addiction recovery program at our Morristown location, JR knew that was his next step.

“They took me under their wing and placed me where I needed to go,” he said. “They are two of the nicest gentlemen and will forever be part of my new, improved life.”

When JR arrived at the Market Street Mission in Morristown, he was a bit nervous – he had never been

in a recovery program before. But as he spent time talking to other residents, he began to settle in.

“It feels like home,” he said. “Between the AA/NA meetings, Bible studies, work assignments, learning center and counseling sessions, being at the Market Street Mission has changed my whole outlook on life.”

Today, JR is working through the phases of our program, and he always tries to encourage new residents when they join. He is grateful that his time in Newton helped begin his journey to recovery at the Mission.

“If you are suffering from addiction to alcohol or drugs, I highly recommend this program,” he said. “It is a complete lifesaver. Just remember to take your recovery one day at a time.”

Changing lives... thanks to you!

Have you heard?

Over the summer we started making extensive renovations to our Jersey Shore Rescue Mission location in Asbury Park! Major projects include:

- Two new bathrooms
- Renovated plumbing in existing bathrooms
- Renovated Welcome Room
- New HVAC
- New electrical service

Our prayer is that these renovations will not only help our systems run more efficiently, but will also provide our guests with a sense of dignity. We hope the Lord will use this more warm, welcoming space to better reflect our love and care for those in need.

\$10,000 MATCHING CHALLENGE

In honor of our first anniversary, a generous friend made a \$10,000 gift to Market Street – Sussex County... and is challenging friends like you to match it! Right now, your donation will double in impact to help transform the lives of local men in search of help and hope. **Simply check the box on the enclosed reply form for your gift to be matched. Thank you!**
